SafeFoodTest.com is committed to protecting and respecting your privacy. This Privacy, Confidentiality, and Security Statement sets out the guidelines for the storage and handling of any personal data we collect from you or that you provide to us, and how it will be processed by us.

The information SafeFoodTest.com gathers via its website or by telephone may be used in the following manner:

- To process your request for SafeFoodTest.com products and services.
- To personalize your experience and help us better respond to your individual needs.
- To improve our website based on the information and feedback we receive from you.
- To improve our customer service and support capabilities.
- To send periodic emails pertaining to your order or Food Safety. (Note: If at any time you would like to unsubscribe from receiving future emails, please reply with your request to unsubscribe.)

SafeFoodTest.com will not sell the information it collects from you on our website or by telephone. However, SafeFoodTest.com may share relevant information we collect with our testing partners.

If goods or services purchased on the SafeFoodTest.com website have been paid for by another party (i.e., a relative or your employer), we may also share pertinent information with that party.

Please verify any information you input on the registration form before submission so that it is accurate in our database. Upon request, we will correct or revise your information as necessary.

If you have any questions about updating your personal information, please contact us at [info@safefoodtest.com](mailto:info@safefoodtest.com).

By submitting your personal data, you agree to the storage of your information. We will take all steps reasonably necessary to ensure that your data is treated securely and in accordance with this privacy policy.

All information you provide to us is stored on our secure servers or those of our hosting providers. Any payment transactions will be encrypted.

Where you have been given or have chosen a password to access certain parts of our site, you are responsible for keeping this password confidential. We strongly advise you not to share your password with anyone.
